

GOVERNMENT OF THE DISTRICT OF COLUMBIA
BOARD OF ZONING ADJUSTMENT

Application No. 16382 of Howard University, pursuant to 11 DCMR 3108.1 for a special exception under Section 210 to allow the construction of a new Health Science Library facility in an SP-2 District at premises 4th and College streets, N.W. (Square 3069, Lot 65) .

HEARING DATE: November 4, 1998
DECISION DATE: December 2, 1998

CORRECTED SUMMARY ORDER*

This order corrects the original **SUMMARY ORDER** with regard to the statement after the word "application" on the second line of the second sentence from "did not submit a written statement of issues and concerns related to this application." to "testified at the hearing and submitted a written statement in support of the application". The paragraph for the corrected portion of the order is asterisked.

The Board provided proper and timely notice of public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 1B and to owners of property within 200 feet of the site.

*The site of this application is located within the jurisdiction of ANC 1B. ANC 1B, which is automatically a party to this application testified at the hearing and submitted a written statement in support of this application.

As directed by 11 DCMR 3324.2, the Board has required the applicant to satisfy the burden of proving the elements which are necessary to establish the case for a special exception pursuant to 11 DCMR 210. No person or entity appeared at the public hearing in opposition to this application or otherwise requested to participate as a party in this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board, the Board concludes that the applicant has met the burden of proof, pursuant to 11 DCMR 3108, that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. It is therefore **ORDERED** that this application be **GRANTED**, **SUBJECT** to the following **CONDITIONS**:

1. Construction shall be in accordance with plans marked as Exhibit No. 13 of the record, as updated by plans marked as Exhibit No. 22 of the record.
2. Howard University shall implement the parking relocation plan set forth in the applicant's transportation report prepared by Trancore, Inc. (Exhibit 9) which provides for the relocation of the 470 parking spaces currently provided on the library site to assigned existing parking facilities identified as having excess capacity. Any adverse traffic effects associated with the implementation of the parking relocation plan shall be raised and discussed in the ongoing university community forum (The Howard University Advisory Council) established pursuant to the BZA decision in Application No. 16330 (Howard University Central Campus Plan).

Pursuant to 11 DCMR 3301.1, the Board has determined to waive the requirement of 11DCMR 3331.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is appropriate in this case.

VOTE: 3-0 (Betty King, Sheila Cross Reid and Jerry Gilreath to grant).
